- 3. A gray box labeled **"Create New Post"** will appear in the top left section of the screen. You have two sections you can fill out when creating a post. Please note: You can submit text only, media only, or a combination of both in your post.
  - To submit a text post, click in the "Write your post" section to type out your story.
  - To submit an image or video, click "Upload Media" to select the file from your device. Or drag the file to the "Upload Media" area.

You can either submit just a text post, just an image or video, or put both into one post together!
